

**ARE YOU LOOKING FOR A REWARDING CAREER
IN THE FIRE PROTECTION INDUSTRY?**

When you join Levitt-Safety, you are signing on with an industry leader that has built a solid foundation for both business success and employee success for more than 70 years: industry-leading experience, an achievement-oriented culture, opportunities for career growth and a rewarding compensation package.

Opportunities for a challenging, successful career abound at Levitt-Safety, a forward-looking company that's a leader in protecting people and property.

Our growth equals a significant career opportunity for you.

OFF ROAD SERVICE TECHNICIAN-REGINA

To provide mobile service in the Regina region, service and repair portable fire equipment, and install and service Ansul A101 off road systems. Fire alarm servicing experience would be an asset.

Ideally the successful candidate will have Vehicle Off Road Fire Suppression experience, have mechanical aptitude and be a team player. Possess a CFAA Certification would be a definite asset. Must be able to provide a clean driver abstract and be willing to travel.

If you meet these qualifications and would like to explore a great opportunity email your resume to reghr@levitt-safety.com or fax to 306-721-3323.
